

**Consignment Form**  
**SQG Quilt Show Quilter's Market**

1. Each person will be assigned an ID number.
2. You may enter as many items as you wish.
3. Each item must be priced with a string tag or sticker (provided by the Guild).
4. Each tag or sticker must have ID number, item number, and price.
5. Each item must have a separate item number even though items may be identical (i.e. Mary Smith is ID#8 and enters 3 potholders---they would be marked 8-1, 8-2, 8-3.)
6. Deliver your tagged items to the quilt show on Friday (set-up day).
7. If you are unsure of how to price your items we suggest doubling the cost of materials.
