PLEASE PRINT CLEARLY

Remember, a fellow quilter has to be able to read what you wrote.

- Turn in completed **WHITE TOP PAGE** by **April 1st.**
- **Safety Pin YELLOW PAGE** to the lower back of your quilt and fold your quilt inside-out so that the **Yellow Page** shows and is easy to read.
- Bring in quilt to Clarkston High School on Friday between 3:00 & 6:00 pm.
- Save **PINK PAGE** and bring it when you pick up your quilt on Sunday, between 3:30 & 5:00 pm. You **MUST** turn in your **Pink Page** to receive your quilt.

The reasoning behind changing how we do categories is to help with properly identifying the quilts, we have a lot of confusion at check in between how many people made the quilts. This will also enable less ribbons. Most shows give ribbons to about 10% of the quilts entered, we were doing 45%. This makes winning a ribbon more prestigious and less expensive for the guild and less taxing on the ribbons makers. Thank you all for your comments as we make this change.
